OUT??

BELOW: 5-time senior Bruce Booth can't keep up with the trends anymore — Fila Ski Jackets were out with the Class of 1988.

It Was A Good Day At Woodson When . . .

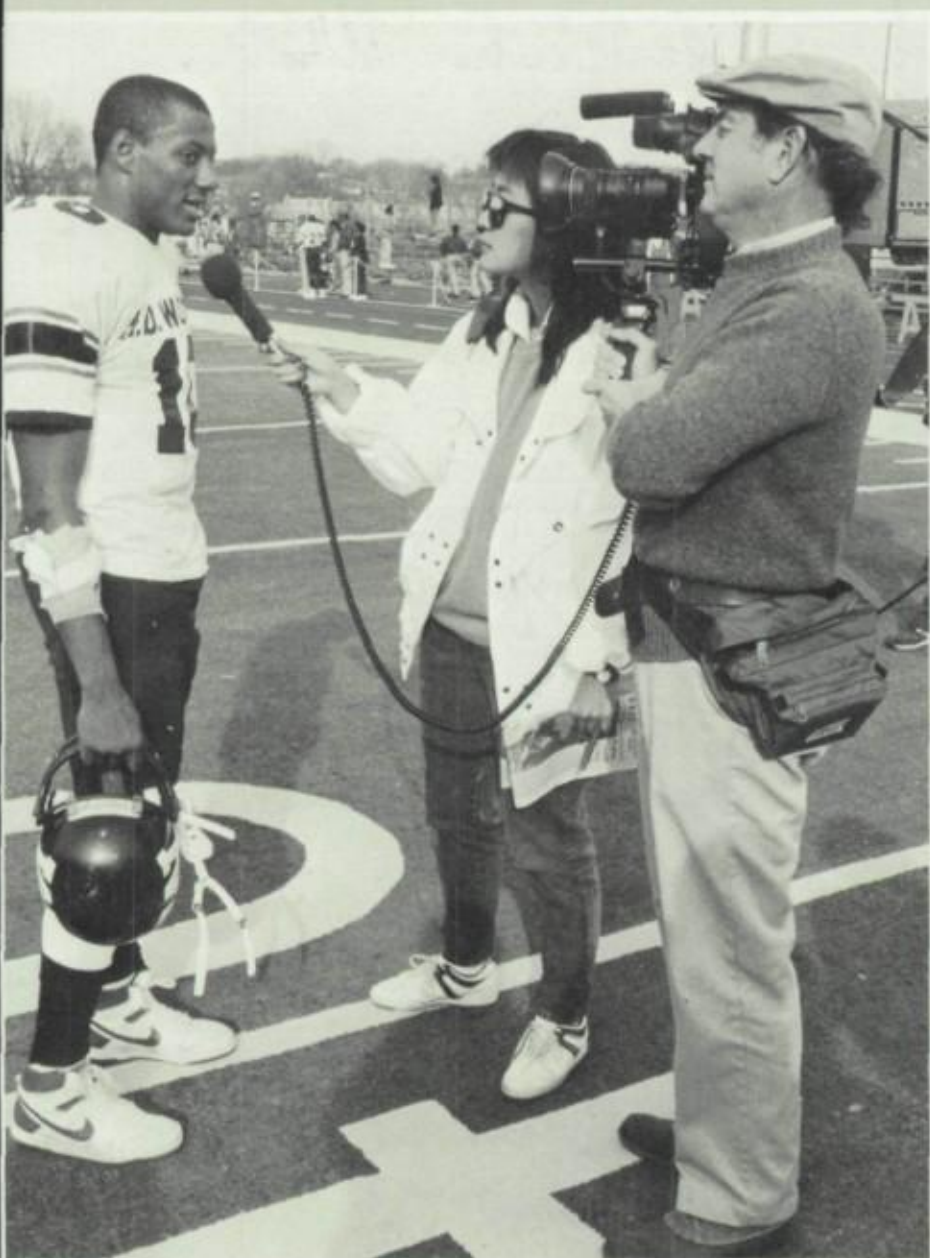

- When all the escalators were on and moving your way.
- When there was no tardy hall.
- When you didn't hear your name called on the PA system.
- When Mr. Davis (a.k.a. "Jumpout") didn't catch you leaning against the lockers on the 4th and 5th floors.
- When we had sweatsuit day.
- When Jack was not on the plaza.
- When Mrs. Christian called "Uzi's" "Ozzie's."
- When Mr. Davis had his uncensored all boys assembly.
- When you rode **past** the plaza on the elevator.
- When there were assembly programs, pep rallies, floods, snow, and NO CLASSES!
- When it was the last day of your senior year AND you were in the line at graduation.

It could be the grand ballroom at the Hyatt Regency or the Hilton. The music is slow, soft — an easy jazz melody. The mood is decidedly mellow, with eager, smiling faces straining, seeking to recognize and be recognized. The faces seem to have lost that fresh, youthful look, the bodies reflecting the added pounds of 10 years of not missing any meals, and the conversation has turned from "Whatever happened to . . ." and "Did you see . . ." to the more practical matters of baby sitters, children, careers and investments. It's 1998, and the occasion is the Class Reunion. It is for just this occasion that the **Warrior** staff has created this edition of "Senior's Quarterly," to assist in jarring memories, helping to recreate the spirit that was 1988, that time when Michael Jackson was "Bad" and Eddie Murphy was "Raw."

Left: 1st Row — Monica Jones, Kimblee Hall, Willina Robson, Allison Hill, Valerie Wages. 2nd Row: Tony Wynn (Coach), Kimberly Hunsucker, Antoinette Caldwell, Althea Simpson, Maria Morgan, Renee Watson, Bob Headen (Coach).

H. D. Woodson's girls basketball team had a winning 1987-88 season with their record being 16-4 for the conference, and 19-5 overall. The four conference losses were to the Coolidge Colts and the Wilson Tigers. The loss to Coolidge was the first in 16 years of Woodson's existence.

This year the girls participated in two tournaments: the IAABO Christmas tournament and a Pre-Christmas Tournament in University Park, Pennsylvania. The girls placed third in the Pre-Christmas Tournament, and took home first place in the IAABO. Sophomore Valerie Wages was the MVP of the IAABO Tournament, and both Wages and Kim Hunsucker were picked for the all-tournament team.

Although the team was a young squad with six sophomores, three juniors and one senior, they did very well. Sophomore Valerie Wages contributed 20.8 points per game, and 3.6 apg in the back court, while senior Willina Robson contributed 12.6 ppg, and 7.2 rpg in the front court to lead the Warriorettes to a winning season.

This year's winning season means that the Warriorettes are capable of receiving a Number One ranking in the Metro Area, and should prove to be a threat to the top teams in the Interhigh.

CROSS COUNTRY

The Cross Country season opened on September 28, 1987 at Kenilworth Park. Led by Captain Gideon Tinch, placed 1st through 6th and went on to win the next 3 Developmental Cross Country Meets, thus entering the championships favored to win. The East-West championships came down to a finish between H.D.'s Gideon Tinch and Spingarn's Kevin McKenzie, and though Gideon ran his best time, 17:29, he was edged out at the tape by McKenzie. Woodson went on to become East Champions. One week later, at the Interhigh Championships, the story was just about the same. Gideon Tinch and Kevin McKenzie were neck and neck on the 3.1 mile course all the way to the finish, where once again McKenzie edged out Tinch. James Worthen, a sprinter on the track, ran on all heart, placing 3rd in both championships. The remaining teammates are Michael Roy, Phillip Dorsey, Michael Southern, and Eric Jackson. On November 5, 1987, Gideon Tinch, James Worthen, Eric Jackson, Michael Roy, and Phillip Dorsey were named All Interhigh by the D.C. Coaches Association. The Championship couldn't have been won without the guidance from Coaches Harrington and Russell, and the sophomores who stuck through the hard work and pain.

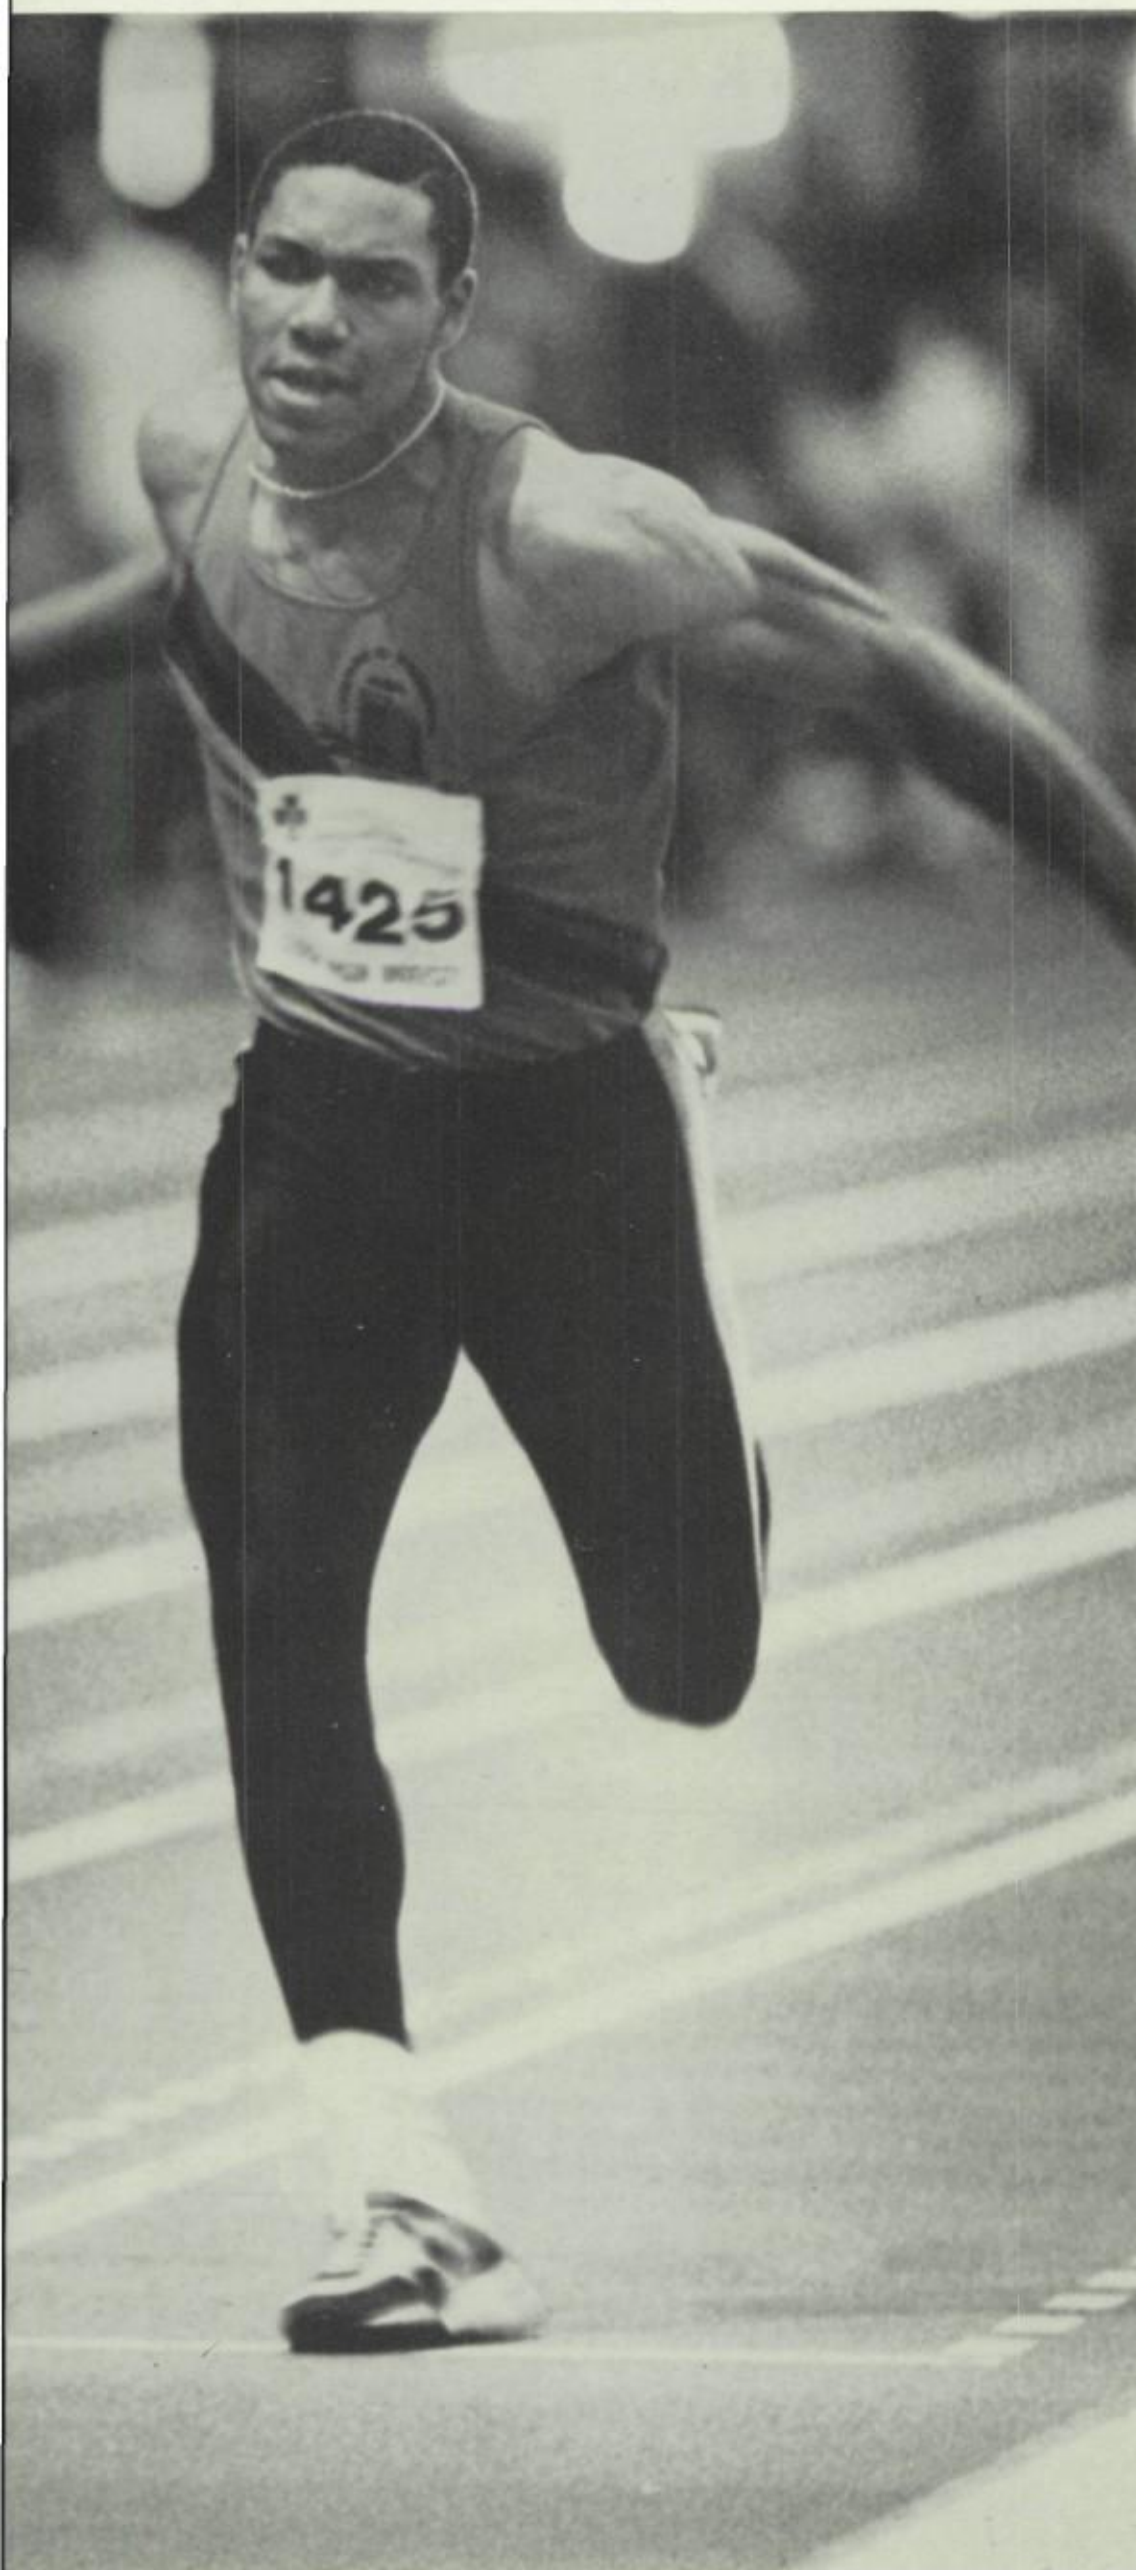

INDOOR

The H.D. Woodson Boys Track and Field Team has gained its respect early this Indoor season. Led by Captains James "Fast" Worthen and Martin "Walk-Man" Walker, the Warrior sprint program has put fear in many opponents. In their first major indoor meet, George Mason's Physicians Care High School Invitational, Martin Walker won the 55 meter dash in a swift time of 6.5 seconds. He also won the men's Long Jump with a leap of 22 feet 9 inches. James Worthen, with a smokin' time of 34.5 seconds, won the 300 meter dash, setting not only a meet and school record, but a national record as well. Junior hurdler Jeffery Taylor placed respectfully in the 55 meter hurdles. Seniors Eric Jackson and Gideon Tinch placed 5th and 7th in the 1000 meter run. To cap off a day of excellent running, the "Mighty Mile Relay" (Martin Walker, Damien Russell, Jeff Taylor, James Worthen) ran a truly outstanding race, zooming through the event in a high school leading time of 3:23. In upcoming meets, the Warriors will show everyone what the "Woodson Way" is all about.

LADY WARRIORS

The Lady Warrior Track Team has done well through the Cross Country season. We were able to obtain 1st Runner-up in the city wide championship, and 1st Runner-up in the Eastern Division championship. We hope to improve as the season continues. The Cross Country Captain, Diane Hughes, has been a great help. She has improved in her three years on the team. We look forward to reaching new heights in the indoor and outdoor season. The other members of our varsity Cross Country and Track Team are: Co-Captain Marcella Canada, Seantina Collins, Marella Canada, Lisa Snead, LaTonya Grant, Vegia Russell, Erica Grayson and Regina Hart.

SAVE-A-SWEETHEART

Under the sponsorship of the American Heart Association, high schools throughout the city participated in a project to discourage teenagers from smoking. The five week program consisted of public announcements on the hazards of smoking, students making pledges not to smoke, the showing of a film on smoking and culminating in the awarding of sweatshirts on SASH day, February 16. Committee members was Marda Davis (chairperson), Regina Banks, Trina Parker, Carol Smith, and Velvet Mumin.

Library Lecture Series '88

As part of the Library Lecture Series, and in celebration of Black History Month, Mr. Elvin Wilkins addressed approximately 100 students on the subject of postage stamps which honor Black Americans. Mr. Wilkins is a Postal Service police officer whose hobby is stamp collecting on a specialty basis. His lecture was enhanced with a traveling exhibit that he artistically arranged and displayed for all to examine closely.

IT'S ACADEMIC

The sensational It's Academic Team won their first round with returning veterans Karl Ricanek, Ronald Cobs, Michael Williams and their dynamic Coach, Madame Washington. The team has a history of winning. For the last two years their returning veterans have lead them to the city-wide It's Academic Tournament. They are expected to advance to the finals and take them by storm.

Homecoming '87

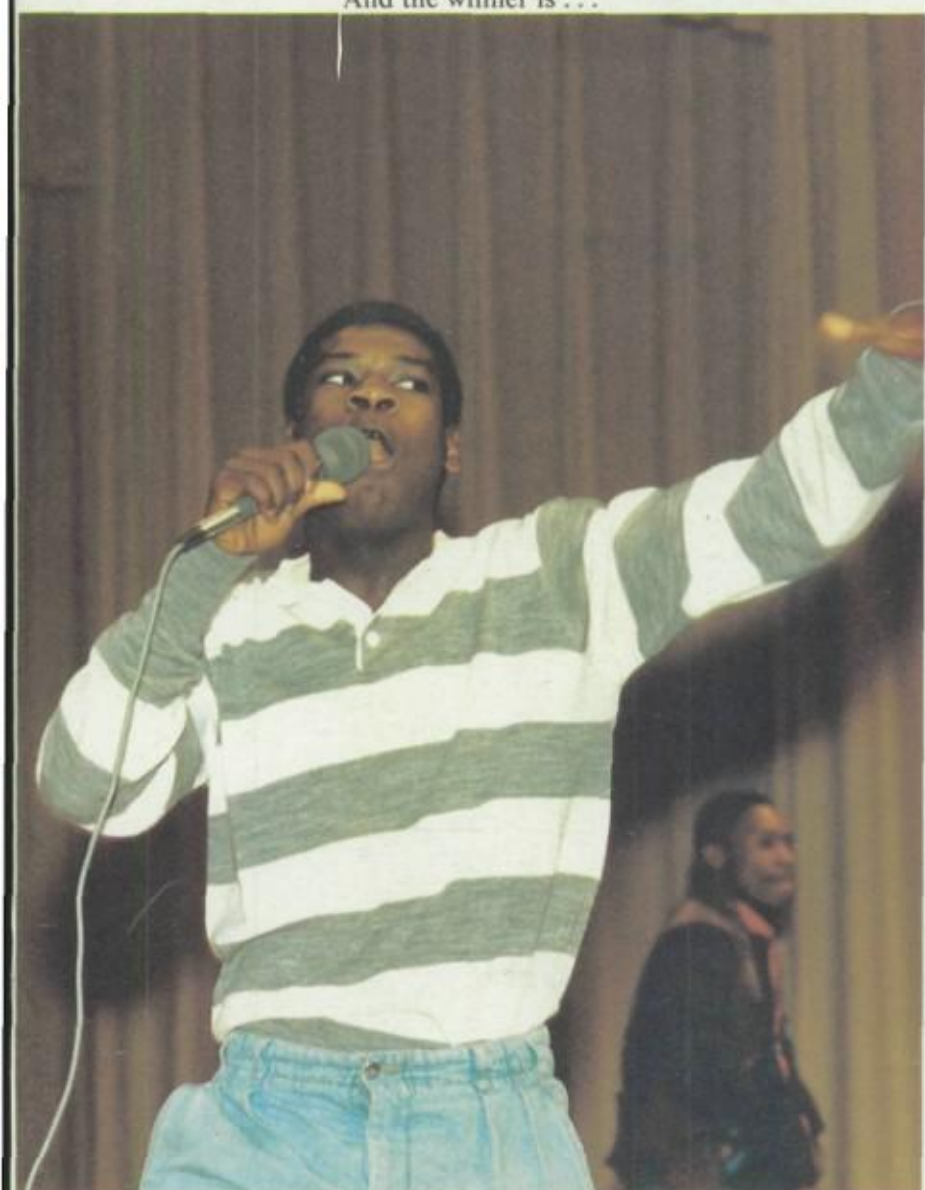

And the winner is . . .

Spirit Week at Woodson revolved around the theme "Building School Pride Through Involvement." One activity included student leaders describing their involvement in extracurricular activities, and how that involvement has fostered personal growth. Another activity paired teachers and students planning for Leadership Exchange Day. Students took on the role of educational leader.

A highlight of Spirit Week was the Homecoming Queen Pageant, and the crowning of the Homecoming Queen and her court. This year's winners were: Karen Smith (Miss Red), Marie Butler (Miss Black), Tia Clark (Miss Green) and Ingrid Smallwood (Miss Freshman). Miss Homecoming is Desiree Doughty.

Because of the snow, Spirit Week was concluded on Monday, November 16, with the Annual H. D. Woodson Homecoming Parade, featuring Woodson's own award-winning Marching Band, Homecoming Queens and a variety of entrees representing Woodson's organizations and homeroom divisions.

WARRIORS ROLL OVER RAMBLERS 27-0!!

Joseph Walker had 6 catches for 110 yards and 2 touchdowns to lead the Warriors to a 27-0 victory in their homecoming game against the Eastern Ramblers.

The Warriors, trying to end their season on a winning note, came out with fire and fury in their hearts and a "take no prisoners" attitude. Seeing the Interhigh game within grasp, the Warriors struck early. All-Met Henderson Mosley hit a wide-open Joseph Walker on a 47-yard bomb that sent the team and fans wild. The defense, prevalent during the whole

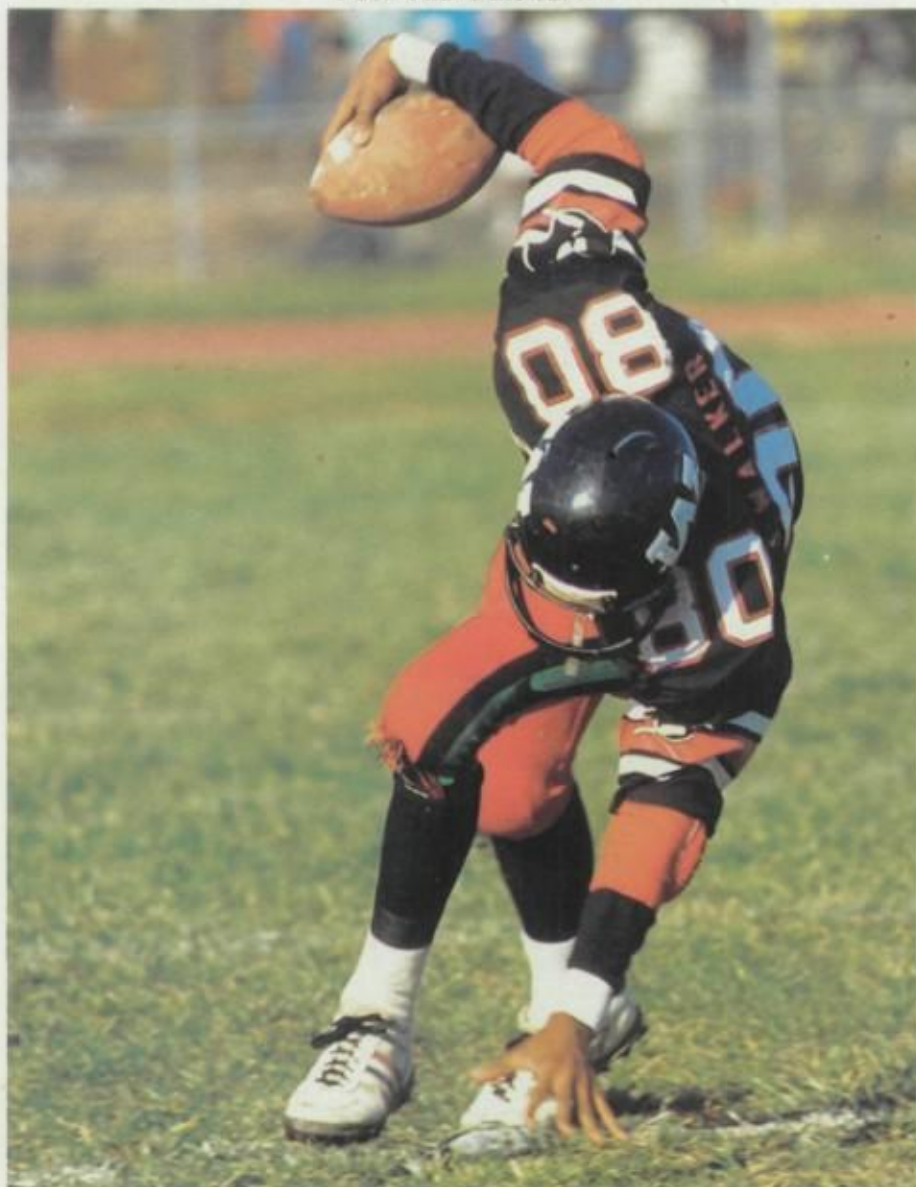

game, also proved fatal for the Ramblers when, on their next possession, Anthony "Fester" Leonard picked off a pass and raced 22 yards for a touchdown. The versatile "Tater" showed off his unique abilities on the next possession when he scrambled 40 yards for his final high school touchdown. Leading 21-0 going into halftime, the team rested for another dominating half of football. The final score on the day went to Joseph Walker on a 51-yard pass as he outran and juked two defenders for an excellent game.
